

# Being a Christian as a Youth

## Fun Bible Activity Sheet (with a little humor!)

**Memory Verse:** Ecclesiastes 12:1 – “Remember your Creator in the days of your youth.”

Draw yourself standing strong for God!

(stick figure welcome!)

Maybe defeating a giant problem like David ■

### ***Quick Lessons for Youth***

- God can use you even if people say, “You’re just a kid!” (David heard that before defeating Goliath!)
- Choose good friends. Friends can help you pray... or help you get into trouble.
- Stand for what is right, even if you stand alone.
- Respect parents and leaders.
- Guard your mouth — your tongue is small but powerful.
- Run away from temptation (Joseph literally ran!).
- Don’t follow every trend. Even if everyone is doing it.
- Read your Bible regularly.
- Use your talents for God.
- Learn to say NO to peer pressure.
- Pray often.
- Remember your choices today shape your future.

### **■ *Humor Break***

- If Jonah had a phone, his GPS would say: 'Recalculating... Recalculating... Stop running from God!'
- If Samson had modern hair products, maybe Delilah would still be confused.
- Remember: Even Daniel had bad days... but at least he didn't get eaten by lions!
