

Genesis 21:19 (NIV)

"Then God opened her eyes and she saw a well of water. So she went and filled the skin with water and gave the boy a drink."

Encouraging Reflection

Hagar was in a desperate situation, believing there was no way forward. Yet God had already provided what she needed. The well was there all along, but she could not see it until God opened her eyes. In the same way, God can open your eyes to opportunities, solutions, blessings, and breakthroughs that may be hidden from your view today.

Prayer

Father, open my eyes to see what You have already provided. Help me recognize the opportunities, resources, and blessings that You have placed before me. Lead me to the wells of provision, wisdom, and breakthrough. Let every spiritual blindness be removed, and let me walk confidently in Your purpose for my life. In Jesus' Name, Amen.
