

One Touch of Faith Changes Everything

THE WOMAN WITH THE ISSUE OF BLOOD

Main Scripture: Mark 5:25–34

INTRODUCTION

There are many people who are suffering silently. Some are wounded emotionally, spiritually, physically, mentally, or financially. Outwardly they may appear strong, but inwardly they are carrying pain, disappointment, fear, shame, guilt, and hopelessness.

The story of the woman with the issue of blood is more than a story about sickness. It is a story of pain, rejection, faith, perseverance, and restoration. It reveals the power of Jesus Christ to change a life completely.

For twelve years this woman suffered greatly. She had spent all she had searching for help, but nothing changed. Instead, her condition became worse. Human help had failed her, but when she encountered Jesus, everything changed.

The same Jesus who healed her is still alive today. He still heals, restores, forgives, saves, and gives new beginnings.

MY PRAYER FOR YOU

May the Lord Jesus Christ strengthen you and keep you close to Him every day of your life.

May God heal every wound in your heart, remove every burden from your life, and fill you with peace, joy, and hope.

May every chain of fear, addiction, discouragement, confusion, and hopelessness be broken in the name of Jesus Christ.

May the Holy Spirit guide you, protect you, and help you grow spiritually each day.

May your life become a testimony of God's grace, healing, restoration, and faithfulness.

May the same Jesus who healed the woman with the issue of blood touch your life, your family, your future, and everything connected to you.

May God bless you, establish you, and use you for His glory.

In Jesus' mighty name, Amen.

Avoid anything that pulls you away from God.

When temptations and challenges come, do not run away from God. Continue trusting Him and walking with Him.

Do not be ashamed of Jesus Christ. Share your testimony and let others know what God has done in your life.

The Christian life is not just about religion; it is about having a daily relationship with Jesus Christ.

Philippians 1:6

“He who has begun a good work in you will complete it until the day of Jesus Christ.”

SCRIPTURE READING

Main Text: Mark 5:25–34

²⁵ And a woman was there who had been subject to bleeding for twelve years. ²⁶ She had suffered a great deal under the care of many doctors and had spent all she had, yet instead of getting better she grew worse. ²⁷ When she heard about Jesus, she came up behind him in the crowd and touched his cloak, ²⁸ because she thought, “If I just touch his clothes, I will be healed.” ²⁹ Immediately her bleeding stopped and she felt in her body that she was freed from her suffering.

³⁰ At once Jesus realized that power had gone out from him. He turned around in the crowd and asked, “Who touched my clothes?”

³¹ “You see the people crowding against you,” his disciples answered, “and yet you can ask, ‘Who touched me?’ ”

³² But Jesus kept looking around to see who had done it. ³³ Then the woman, knowing what had happened to her, came and fell at his feet and, trembling with fear, told him the whole truth. ³⁴ He said to her, “Daughter, your faith has healed you. Go in peace and be freed from your suffering.”

A LIFE FULL OF PAIN

The Bible tells us that this woman had an issue of blood for twelve years. Her suffering affected every area of her life. She was weak physically, exhausted emotionally, and rejected socially.

According to the customs of that time, her condition made her ceremonially unclean. Many people avoided her. She lived with shame and loneliness for many years.

ASSURANCE OF SALVATION

If you have sincerely prayed that prayer and believed in Jesus Christ, you are now saved according to the Word of God.

John 1:12

“But as many as received Him, to them He gave the right to become children of God.”

You are now a child of God. Your sins have been forgiven, and your life has become new in Christ.

2 Corinthians 5:17

“If anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new.”

Do not allow doubt to control your mind. Stand firmly on the promises of God.

FINAL ADVICE

Your journey with Christ has just begun. Continue growing spiritually by praying daily and reading the Bible regularly.

Attend a Bible-believing church faithfully and surround yourself with people who encourage your faith.

PRAYER OF SALVATION

If you have decided to surrender your life to Jesus Christ today, pray this prayer sincerely from your heart:

“Lord Jesus,
I come before You today just as I am.

I confess that I am a sinner and that I need You in my life.
Please forgive all my sins and wash me clean.

I believe that You died on the cross for me and rose again.
Today, I surrender my life completely to You.

Be my Lord and Saviour.
Heal my heart, restore my soul, and break every chain over my life.
Remove fear, shame, guilt, addiction, and hopelessness from me.

Fill me with Your peace, Your Spirit, and Your power.
Thank You for loving me, forgiving me, and accepting me as Your child.

From today, I choose to follow You and live for You.

In Jesus’ name, Amen.”

The Bible says she spent everything she had trying to find healing. She searched for answers from many doctors, but instead of getting better, her condition became worse.

This is a picture of many lives today. People are searching everywhere for peace and fulfilment. Some turn to money, alcohol, relationships, drugs, sinful lifestyles, worldly pleasures, or human wisdom, but nothing can truly satisfy the heart apart from Jesus Christ.

Many people are silently bleeding today:

- bleeding from fear,
- disappointment,
- bitterness,
- depression,
- addiction,
- guilt,
- broken relationships,
- secret sin,
- or hopelessness.

Others may not understand your pain, but Jesus sees every tear and every burden.

HER MIRACLE BEGAN WHEN SHE HEARD ABOUT JESUS

Everything started changing when this woman heard about Jesus.

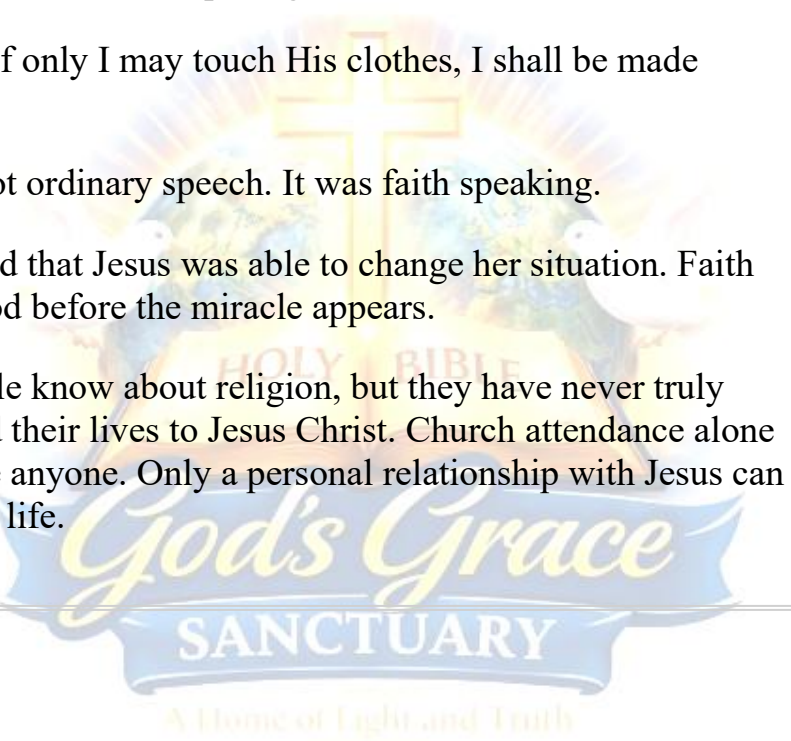

Faith begins when people hear the Word of God. She heard that Jesus healed the sick, restored broken lives, and changed impossible situations. Hope began to rise inside her heart.

She said: "If only I may touch His clothes, I shall be made well."

This was not ordinary speech. It was faith speaking.

She believed that Jesus was able to change her situation. Faith believes God before the miracle appears.

Many people know about religion, but they have never truly surrendered their lives to Jesus Christ. Church attendance alone cannot save anyone. Only a personal relationship with Jesus can transform a life.

The woman's miracle began when she decided to reach for Jesus.

Now the decision is yours.

Will you remain in the crowd unchanged, or will you come to Jesus by faith?

Do not leave this moment unchanged. Open your heart completely to Jesus Christ and surrender your life to Him while His grace is still available.

Today can become the beginning of a new life, a new hope, and a new relationship with God.

FINAL CALL

If you are saying:

"Lord Jesus, I need You."

"I am tired of carrying this burden alone."

"I need forgiveness."

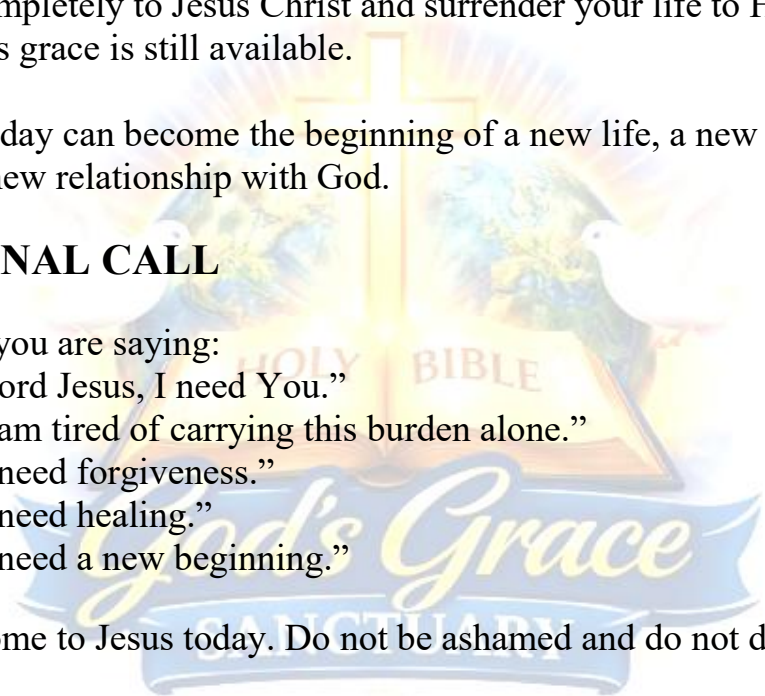

"I need healing."

"I need a new beginning."

Come to Jesus today. Do not be ashamed and do not delay.

The same Jesus who healed the woman with the issue of blood is ready to touch your life today.

Come as you are and let Him make you whole.

FINAL APPEAL

Today many people are just like this woman. You may not be bleeding physically, but you are bleeding somewhere inside.

You may be carrying fear, guilt, addiction, bitterness, disappointment, confusion, depression, spiritual emptiness, or secret pain.

You may have tried many solutions, yet your heart still feels empty.

But Jesus is still passing by today.

He is still healing.

He is still restoring.

He is still forgiving.

He is still saving.

He is still changing lives.

Do not allow fear, pride, shame, sin, or delay to keep you away from Jesus Christ.

This could be the day your life changes forever.

This could be the day chains are broken.

This could be the day peace enters your heart.

This could be the day you receive salvation and restoration.

SOMETIMES WE MUST PRESS THROUGH

When the woman came toward Jesus, the crowd was large and the journey was difficult. She was weak, tired, and rejected, but she refused to allow anything to stop her from reaching Jesus.

Sometimes in life, we must also press through obstacles.

Sometimes we must press through fear. Fear says nothing will ever change, but faith says God is able.

Sometimes we must press through criticism. People may mock your faith, discourage you, or remind you of your past, but human opinions cannot stop God's plan for your life.

Sometimes we must press through shame. The enemy wants people to hide in guilt and condemnation, but Jesus welcomes the broken and gives them new life.

Sometimes we must press through discouragement. After many disappointments and failures, it becomes easy to lose hope, but breakthrough often comes to those who refuse to quit.

Sometimes we must press through doubt. Doubt whispers that God has forgotten you, but God is still working even when you cannot see it.

Sometimes we must press through sinful habits such as addiction, immorality, bitterness, anger, pride, and destructive

lifestyles. Jesus still has power to break every chain.

Sometimes we must press through spiritual opposition because the enemy fights against anyone trying to come closer to God.

This woman kept pressing until she touched Jesus.

ONE TOUCH OF FAITH CHANGED EVERYTHING

The moment the woman touched the garment of Jesus, power flowed into her body and immediately the bleeding stopped.

Twelve years of suffering ended in one moment.

Jesus asked:

“Who touched Me?”

Many people surrounded Jesus physically, but only one person touched Him by faith.

There is a difference between being around Jesus and truly believing in Him.

One encounter with Jesus can change:

- a broken life,

- a wounded heart,
- a troubled mind,
- a guilty conscience,
- a hopeless situation,
- and even eternal destiny.

Nothing is impossible for Jesus Christ.

JESUS RESTORED HER COMPLETELY

Jesus said to her:

“Daughter, your faith has made you well. Go in peace.”

For years society rejected her, but Jesus accepted her.

Jesus did not only heal her body — He restored her dignity, peace, identity, and future.

This is what Jesus still does today:

- He forgives sinners,
- heals broken hearts,
- restores damaged lives,
- lifts the rejected,
- and gives people a new beginning.

The world may define people by their failures, but Jesus sees who they can become through Him.
